

Colchester GP Trainers Workshop Tuesday 12th July 2011

Course Organiser Report

Peer Assessment of teaching was discussed – most groups have now completed this – Pippa Gear will compile a register which she will forward to the course organisers; if you have not completed this yet please send an email when completed; Andrew had submitted a possible assessment grid and copies were distributed

Next batch of trainees is now being placed; 15 new ST1 start on first Wednesday of August

Education supervision discussed – Wendy will allocate these

Child Protection Training

VTS scheme is arranging an Essex wide VTS session covering this to level 3 – the trainees will be expected to complete levels 1 and 2 on line before attendance at the workshop in early October – the trainees will be sent details of this

OOH Competence for MRCGP Wendy/ Marjorie

Why? - Wendy discussed reasons for changes in assessing OOH competence

OOH Training Position is laid out by COGPED; Deanery checks minimum number of hours has been completed by trainees at ARCP

MUST be signed off by Educational Supervisor

Training Scheme needs to provide proper arrangements for trainees to have completes OOH training

Self Assessment form such as Canbury to form basis of tutorial in 1st month of GP placement -

- GP registrar to record eportfolio – to record number of hours – easy if recorded at the beginning of each OOH entry

- Feedback from OOH Supervisor – new form to be used, signed by both trainer and trainee

- Trainer should debrief and validate competencies

- Trainer can also refer to evidenced ‘Care of acutely ill’ in hours at the surgery

More Trainers needed for OOH; If interested please contact Marjorie or Raymond at North Colchester Healthcare Centre – they will be pleased to help.

Induction session for trainees is held every 6 months; remote booking is possible and this is then confirmed by Rota Admin at OOH

14/9/11 will be next trainee induction day 1pm – 4pm; ST3 should contact

Harmoni to check passwords up to date

Harmoni Intranet – Connect – On line education is available to trainees and 3 statutory modules must be completed before any session can be undertaken; 6 mandatory Harmoni clinical modules and several eBMJ modules must be completed before trainees can undertake green sessions

Trainer is one who decides level of competence; the OOH supervisor may make suggestions but the final responsibility lies with the trainer; information will need to be sent to Rota admin - NEE.Rotaadmin@harmoni.co.uk

Record of OOH will be completed

Must have 11 free hours between end of OOH and commencement of work at practice – but registrar is contracted to work hours at the practice so must make up time

Nigel is hoping to complete section 12 training and is hoping to offer sessions for the trainees to enhance their experience in this area of work.

A comprehensive document covering this was distributed – Pippa has spare copy

Forthcoming Events for your diary

Autumn Seminar dates 28th, 29th and 30th September; unfortunately the dates of this were changed so it now clashes with VTS residential.

VTS residential is on 30th September and 1st October 2011. Roger Neighbour will be a guest speaker on Friday 30th and it will be held at Stoke by Nayland. Would like trainer volunteers for helping with mock CSA on the morning of Saturday 1st October

Wednesday September 14th Hot topics in Medical Education and GP research - Louisa and Jane

Thursday November 17th Video of CBD discussion for marking and discussion – Elmer; topical discussion of Educational Supervisor reports

Tuesday January 17th 2012 – Planning Meeting

Other Business – an email had been received from Yomi and Arthur suggesting that one of the sessions of the Trainer Workshop could be used for an Essex wide gathering of trainers – this was discussed but it was felt that our time was already being eroded by annual video review and that there were already twice yearly meetings as a region and that an Essex wide workshop was likely to be time consuming. Pippa will email Yomi with this information
